Hi Honey.

How are you feeling huh? all rested up from our trip by now huh? I wish we were still up there sometimes I'd like to go up there for just day sometime.

How are you and Bill making out? Fine I suppose right? Your lucky you've got such a nice guy. I broke off with Dane for sure now. While we were up North Sue got after him and she twisted him around

her little finger but good.
He was up the night
after we came home and
he acted so funny we
went to the shore and
he never said one word
about going out with Sue.
Liz told me that sure
burned me up the nerve
of him taking me out and
never saying a word. I
knew something was wrong
but I didn't know what.
He came then the next
Saturday night. I couldn't
stand it that he didn't
tell me what happened.
So I told him and he
acted ashamed he made

a lot of excuses that sounded like bull to me so its finally the end. Liz wants me to go out with Jim Albers I don't know if I will or not.

I got a letter from Fern she said that Erma got a letter from Doug and that Erma was mad at you. Ha! Ha! I didn't think you really did. That was quite a summer romance I had huh? Bay oh Bay it was fun while it lasted.

Aunt Elsie has been here this week she's going home today. I think she's

How are you and Bill making out? Fine I suppose right? *Your* lucky you've got such a nice guy. I broke off with Dave for sure now. While we were up North Sue got after him and she twisted him around her little finger but good. He was up the night after we came home and he acted so funny we went to the show and he never said one word about going out with Sue. Liz told me that sure burned me up the nerve of him taking me out and never saying a word. I knew something was wrong but I didn't know what. He came then the next Saturday night. I couldn't stand it that he didn't tell me what happened. So I told him and he acted ashamed he made a lot of excuses that sounded like bull to me so *its* finally the end. Liz wants me to go out with Him Albers I don't know if I will or not.

I got a letter from Fern she said that Erma got a letter from Doug and that Erma was mad at you. Ha! Ha! I didn't think you really did. That was quite a summer romance I had huh? Boy oh Boy it was fun while it lasted.
